To whom it may concern

Date: 01.06.2018

Letter of invitation to Professor Tai-Guo Liu

Prof. Tai-Guo Liu is currently employed by the State Key Laboratory for the Biology of Plant Diseases and Insect Pests (SKLBPI), which is part of the Institute of Plant Protection (IPP), Chinese Academy of Agricultural Sciences (CAAS), with the address No.2 West Yuanmingyuan Road, Beijing 100193.

Prof. Liu is invited to participate in the 12th International Epidemiology Workshop (IEW12) taking place in Lillehammer, Norway, 10-14 June 2018. On Friday 15 June, there is an additional mini workshop in the Spot-IT project at the same location in Lillehammer. Since this has to do with predictive systems for diseases on wheat and barley, Prof. Liu is invited to this meeting as well.

IEW12 does not provide financial support to meeting participants. Registration fee, airfare, ground transportation, hotel, meals, travel insurance, and any other local expenses are the responsibility of each meeting participant. However, there is no airfare since Prof. Liu will already be present in Sweden during these meetings, and he will travel by car with Professors Jonathan Yuen and Annika Djurle. The registration fee and accommodation for Prof. Liu will be covered by the NSFC-STINT project at IPPCAAS. Other costs such as ground transportation, meals, etc. will be covered by the Swedish Foundation for International Cooperation in Research and Higher Education (STINT). Those costs also include the meeting in the Spot-IT project. Furthermore, his insurance is covered by Intitute of Plant Protection, Chinese Academy of Agricultural Sciences.

We look forward to seeing Prof. Tai-Guo Liu in June in Norway.

Sincerely,

[Signature]

Arne Stensvand
Convener of IEW12
